Ask Me First

The sweat rolled down his back. It stung wherever it crossed a vivid red line and he panted, trying to catch his breath in anticipation of the next round.

Hissing air gave a too-brief warning before he screamed, body instinctively twisting to get away from the vicious hit of hardened leather, cat-tails spreading across his skin to ensure that there was nowhere left that it didn't hurt.

"Please," Billie whispered, even that quiet sound rasping after the abuse he'd been giving his vocal cords.

His wife's laughter both chilled and aroused. "You know better than to fuck Mike without permission."
